

EDUCATION

Poornima University, Jaipur, India
Bachelor of Technology in Computer Science | CGPA: 8.41/10

2022 - 2026

TECHNICAL SKILLS

Programming Languages: C, C++
Web technologies: CSS, HTML, JavaScript, Tailwind
Frameworks/Libraries: Express.js, Node.js, React.js, Redux Toolkit
Database: MongoDB
Tools / Platforms: Git, GitHub
Other Skills: Data Structures & Algorithms (DSA), Object-Oriented Programming (OOPs)

Work Experience

FALCONS BEYOND IMAGINATION
Full Stack Developer Trainee ↗

Jaipur, Rajasthan
June– August 2024

- **Front-End Development:** Developed responsive user interfaces using **HTML**, **CSS**, and **JavaScript** frameworks like **React**, ensuring a seamless user experience.
- **Back-End Development and Database Management:** Implemented server-side logic using **ExpressJS** and **MongoDB**, and designed, queried, and managed relational databases to support business requirements.
- **Collaboration and Tools:** Collaborated with team members to develop and integrate new features based on project requirements. Managed version control with Git/GitHub and researched new technologies for performance optimization.

PROJECTS

CoreStaff [Github Link](#)

Jan 2025

- Built an Employee Management System using **React.js** and **Tailwind CSS** for responsive and modern styling.
- Integrated user authentication with separate dashboards for admins and employees to ensure role-specific functionality.
- Enabled admins to assign tasks with deadlines and descriptions while allowing employees to view, update, and manage their tasks.
- Utilized local storage for seamless data persistence, eliminating the need for a backend.

AutoFix Ai [Github Link](#)

Feb 2025

- **Developed AutoFix AI**, an AI-powered bug-fixing system using **Express.js**, **Node.js (backend)** and **React.js, CSS (frontend)**.
- **Implemented automated bug detection**, explaining issues and suggesting optimized solutions.
- **Designed an interactive UI** for real-time debugging, syntax highlighting, and AI-driven fixes.

ACHIEVEMENTS

- **Microsoft Certified** : Azure Data Fundamentals.
- **Letter of Recommendation** : Received from Falcons Beyond Imagination for performing extremely well during the internship period.

EXTRACURRICULAR ACTIVITIES

Google Developer Student Club (GDSC) Event-lead

Poornima, Jaipur (Jul 2023 – Oct 2024)

- A student community promoting tech learning, innovation, and collaboration through workshops and coding events.
- Instructed an introductory webinar on frontend technologies - HTML, CSS, and JavaScript, contributing to students' foundational understanding.
